Yes, those are but a few of the snatches of conversation that you hear at the Reunions when old friends meet and the years slip away in remembering the good and the bad times shared together for a common cause. After the weekend of fun and remembering, you leave with a certain uplift of spirits that is hard to describe. Maybe it's a sense of well-being, I don't know. I just know that for me the years are rolled back and it seems as though it was just yesterday that I last saw you all.

Our 12th REUNION is almost upon us and we of the Executive Committee are doing our best to make it as enjoyable as the past reunions and naturally we are hoping that it is a little nicer. Much thought and planning is going on with you the members in mind and what we think you would like.

Your Reunion Committee consists of the following members:

- Paul Surbaugh - Reunion Chairman
- Henry Moltier

CHANGE OF ADDRESS

Quite a few Newsletters were returned to me for lack of a correct address. Some of you have moved and left no forwarding address. We would like very much for you to receive the Newsletter, but is impossible to do so unless you provide us with your correct mailing address. We use a Bulk Rate Mailing Permit which gives me your last known address which costs the Association five (5) cents. However, there is only one drawback to this system and that is when I get your new address, you don't get the Newsletter. It is either returned to me or is filed in File 13 and you know where that is (THE DEAD LETTER OFFICE). Several members missed the Reunion last year because by the time the original Newsletter was returned to us and another one sent out, it was too late to make Reunion plans. The last Newsletter was mailed out in April and I am still receiving them back for better addresses. So you see, it takes a long time for the wheels to turn. Even though you have moved to a new address in the same town, they are being returned to me. So won't you please just take a couple of minutes, jot down your new address on a post-card and drop it into the mail and we'll do the rest. Many, Many thanks to you who have done so in the past.

DUES! DUES! DUES!

How about checking your Membership Card to see if your dues are paid up or about to expire. If they are due or past due, why don't you get your check in the mail today so that you won't be dropped for non-payment of dues. In the past, we have been mailing you the Newsletter even though your dues were delinquent. However, due to the increased cost of printing and mailing we have been forced to drop your name as soon as your dues become delinquent. For your convenience, I will list the types of membership available: Life \$25.00, 5 years \$12.00, Annual \$3.00. Take your choice and mail your check to: EVELYN COHEN, 5448 Euclid Ave., Philadelphia 31, Pa.

MEMBERSHIP ROSTER

A Membership Roster is in the process of being prepared and will be available at the Reunion this August. We have had numerous requests for a roster. It is a long hard job getting it typed and ready for the printers, but I'll do my good "deed" for the members of the Association and prepare it. Of necessity there will be a small charge to cover the cost of printing. My labor I shall give to you free. If you are unable to attend the Reunion in August and would like to have a copy, just send your money to me and I shall be more than happy to send it to you. The cost is to be \$ .25. They will be ready for distribution on or about the 1st of August.
